Multiskills  
Gym

**Numeracy**

Counting  
Addition/ subtraction  
Measures  
Money- coin recognition  
Fractions

**Ways you can help your child with literacy:**

- Read with your child 3 times a week
- Practise the school letter formation
- Practise sound knowledge through writing simple words like cat, pin, frog, help etc
- Write simple sentences about something they are interested in or something they have done with you

**Ways you can help your child with numeracy:**

- Counting to 10, to 20, to 100
- Practise number formation
- Use items around the home such as pasta or toy cars to add and take away up to 20, up to 50 etc
- Create number stories together e.g. *There are 13 monkeys in the tree; 20 more monkeys join them. How many are there altogether?*
- Spot maths in every day life e.g. shopping and the coins you would need

**Parent and carers' information:**

- We will be going on walks in the local area
- We are planning to visit SEARCH museum in November
- Does your child know their address? We will be looking at houses and homes in the local area.
- If you'd like to volunteer for any trips, please let your class teacher know.
- Please make sure your child has their clearly labelled PE kit in school from the start of term
- Make sure your child brings their water bottle every week.
