Dance - The Nutcracker

Numeracy

Counting
Number formation
Place value Tens and units
Addition/ subtraction
Counting in 2s and 10s

Ways you can help your child with literacy:

- Read with your child 3 times a week
- Practise the school letter formation
- Practise sound knowledge through writing simple words like cat, pin, frog, help etc
- Practice alien words eg Phonics play- Obb and Bob
- Write simple sentences about something they are interested in or something they have done with you
- Complete weekly homework

Ways you can help your child with numeracy:

- Counting to 10, to 20, to 100
- Practise number formation
- Use items around the home such as pasta or toy cars to add and take away up to 20, up to 50 etc
- Create number stories together e.g. *There are 13 monkeys in the tree; 20 more monkeys join them. How many are there altogether?*
- Spot maths in every day life e.g. shopping and the coins you would need

Parent and carers' information:

- Does your child know their address? We will be looking at post.
- If you'd like to volunteer for any trips, please let your class teacher know.
- Please make sure your child has their clearly labelled PE kit in school from the start of term
