

Year R Home learning Wednesday 10th June 2020

This week we will learn all about time, the passing of time and telling the time.

Carry on doing your minute challenge.

Draw pictures of yourself at these different times. At each of these times have a look at a real clock and discuss where the hands are.

(Mums and Dads, I find it useful to set an alarm on my phone so I don't miss each time)

10 o'clock in the morning	12 o'clock noon	3 o'clock in the afternoon	6 o'clock in the evening
