

Year R Home learning Monday 22nd June 2020

This week we will learn all about adding and taking away again

Choose the level of challenge which fits your child . The one chilli challenges are the easiest the three chilli challenges are the hardest. Ask them to write their answers and their jottings in their book. Once your child has completed the activity, encourage them to play on Mathletics.

In the classroom, these children are collaborating in a group. Can you write the sentence to match these pictures to show how many children were collaborating altogether?

e.g for the above pictures you should write $2+5=7$

1,

2,

3,

Can you tell a number story or draw a picture which fits with the sentences below?

$$5+13=$$

"There were 5 children playing in the park and then 13 more came along. There were 18 altogether."

$$14+5=$$

$$9+11=$$

$$7+15=$$

$$19+4=$$

Can you tell a number story or draw a picture which fits with the sentences below?

$$25+13=$$

"I had 25 sweets and then I bought 13 more from the shop. I had 38 altogether."

$$14+15=$$

$$19+11=$$

$$17+15=$$

$$19+14=$$
