

This week we will learn all about adding and taking away again

Choose the level of challenge which fits your child . The one chilli challenges are the easiest the three chilli challenges are the hardest. Ask them to write their answers and their jottings in their book. Once your child has completed the activity, encourage them to play on Mathematics.

These questions are a mixture of addition and subtraction. Look closely for the sign and think if you will need to add more on and take some away.
