

Grange Forces Group

At Grange Infant School, every week between 3.15 – 5.30pm, we hold an after school club for our forces children.

At Wednesday club the children take part in a range of activities such as ball games, dressing up, i- pads and a themed activity. These activities show us celebrating and embracing worldwide events, ensuring the children learn and share something new about other faiths and cultures.

We also have a small tea often made by the children (with a little help by us) which links in with the celebration such as Chinese New Year, Pancake Day and St George's day.

We have enjoyed since January: decorating cakes, tossing pancakes, Chinese stir fry, pitta bread pizzas, Thai food, English afternoon tea, hot chicken wraps and a film night with burgers and popcorn.

In this summer term we will have focused on Father's Day, taste tested homemade Indian food, had a picnic and an end of year party.
