Above is a link to BBC bitesize with some guidance, activities and quizzes all about money.

## Two ways

**Make each amount in two ways.**

**You can use each coin more than once.**

5p	5p
----	----

6p	6p
----	----

11p	11p
-----	-----

30p	30p
-----	-----

Practise making these amounts with coins. Either use some real ones or draw your own. Make them in at least 2 ways.

7p    9p    12p    15p    21p

Find 2 ways to make these amounts but make sure 1 of the ways is with the smallest number of coins possible.

23p    38p    41p    56p    88p

Find 2 ways to make these amounts but make sure 1 of the ways is with the smallest number of coins or notes possible.

89p    93p    £1.05    £2.31    £5.99    £6.50
