

Monday 11th May Year 1 home learning

This week we are going to be basing our learning around the story *The Magic Balloon*. Watch Miss Simpson reading it on whole school Dojo. We are going to be learning about different places and also where food comes from.

Literacy

Discuss the places in the story. You may want to research some different places around the world or discuss some real places you have been,

Today, can you paint, draw, or sculpt (junk modelling) your own place. It can be based on a real place or imaginary. Try to make it quite detailed. You are going to describe your place tomorrow!

Reading/ phonics

This week we would like you to explore the site **ICT games**.

<https://www.ictgames.com/>

You can play these on desktop, tablet and some games on a phone.

Today try Phonics Pop. Read and learn those sounds!

Today's fun task.

Can you do a blindfold taste test?

Use a scarf to cover your eyes. Can you feed each other small amounts of food. Can you guess what they are?

Maths

Today we would like you to do some data handling. This is collecting information and showing it in different ways. Ask your family what their favourite fruit is. Could you phone or text some friends or family to add to your list?

What is your favourite fruit?

We have done some tallying at school. You put a line for each person then when you get to five you put a diagonal line.

Fruit	Tally	Number
Plum 		
Orange 		
Banana 		
 Strawberry		
Kiwi 		
Pear 		

Discuss these questions.

1. Which fruit is the most popular?
2. Which fruit is the least popular?
3. How many people like oranges?
4. How many people like strawberries?

Can you think of a question to ask?
