

LO: To tackle a new challenge and understand this might stretch my learning.

To identify how I feel when I am faced with a new challenge.

Step 1 - Make a hand print or draw around your hand

Step 2 - Cut out your hand print/flower

Step 3 - Decorate it to make it look like a flower

Step 4 - Fix the hand print to one end of a pipe cleaner, threading the pipe cleaner through the hand so it sits on the top like a flower

.

Was this easy or tricky? Why? How did you feel when you achieved it? What things do you find tricky? Do you persevere?
