

Year 1

Thursday 28th January 2021

9.30 - LIVE Google Classroom session with Miss Simpson

Phonics

We will have a short phonics session to go through some sounds, reading and alien words.

Literacy

Today you are going to try and write as much of your story as you can. If this is a struggle, do the first creature you scoop then just turn him or her into the goonie creature.

As always, the support task would be for the grown up to write the sentence and the child re orders.

You could just write some key words from the story. But the most important thing would be to retell the story.

11.15 - LIVE Google Classroom session with Miss Simpson

Maths - This week we are learning early multiplication ie counting in 2s, 10s and 5s and working with those numbers.

Today we are still using our counting in 2s 10s and 5s on number lines and arrays.

The greater depth challenge has some reasoning challenges to try.

To be completed at home in your own time, no live session for this.

PHSE

This week we are learning about dreams and goals.

Today you are going to make a stretchy hand. Or try another challenging task.

What was easy? What was hard? How did you feel doing the activity?

## Year 1

Most children will be working at GREEN level which is secure for their age. Their level will be highlighted on their report that was emailed home last term. If you would like some clarity, please do ask your child's class teacher and they can advise you further. Their level for Maths and Literacy may be different.

Please remember that you can also:

- Read daily with your child
- Use 'Oxford Owl' to enjoy a range of book online
- Play phonics games on 'Phonics Play'
- Use the 'Mathletics' website
- Practise your sounds and red words
- Use the 'BBC Bitesize' website for KS1: <https://www.bbc.co.uk/bitesize/levels/z3g4d2p>

Thank you for your continued support at this difficult time. Please contact the school office or your class teacher via Classroom Dojo if you have any concerns or questions.

Year 1 Team.
