

Tuesday 9th June Home learning -writing.

Today we would like you to write a postcard like the one from Mo Farrah you looked at yesterday. It could be from home telling someone what it is like, what you are doing etc or you could let your imagination go wild! Where could you be? What could you be doing? Draw a picture of the place you are imagining too. You can use the postcard template if you have printer or just write and draw in your book.
