

This week's theme is 'community' and we would like to focus on people and places. Today we will be looking at how we can help our community.

**Task:**  Make a list of ideas explaining how we can help our community. You could draw a picture too.

Try to **extend your sentences** to explain how that task could help others.

Here are some examples:

I can help my community by.....

I can pick up rubbish **so it keeps the streets clean**

I can plant a tree **to encourage more wildlife and to help the environment**

I can donate old clothes **to help other people**

Be kind to my neighbours **to make them feel welcome and happy.**

## Spellings

This week, we will be looking at adding the suffixes -er and -est where no change is needed to the root word. Complete the activity below:
