

Hello parents,

This week the children we are looking at weather. Today is the second half of the story.

### Seren's Seasons

As the days grew colder, Nain opened the cupboard to fetch some warmer clothes. "Will it snow soon?" Seren asked again. "Shall we take out my snow boots?"

"It doesn't usually snow in autumn," said Nain.

Seren put the autumn clothes into her drawers, leaving her snow boots in the cupboard.

Autumn brought lots of different weather. When it rained, Seren splashed in the puddles in her wellies. When it was windy, Seren watched the colourful leaves swirling around.

As the nights became longer, Nain opened the cupboard again. "Will it snow soon?" Seren asked. "Shall we take out my snow boots?"

"Well, it is winter," said Nain. "It could snow any day now!"

Seren grinned as she put her snow boots near the door.

Winter brought lots of different weather but one day... it snowed! Finally, Seren had everything she needed to build the perfect snowgirl.

Talk about the questions below.

1. Which season was third?
2. What did Seren do in the Autumn?
3. Which season was last?
4. What did Seren do in the Winter?
