

Hello parents,

This week the children we are looking at weather. The story we have chosen is quite long so you can read the first page today and the second page tomorrow.

## Seren's Seasons

Nain had a big cupboard full of Seren's clothes. "Will it snow soon?" asked Seren. "Shall we take out my snow boots?"

"It doesn't usually snow in spring," said Nain.

Seren put the spring clothes into her drawers, leaving her snow boots in the cupboard.

Spring brought lots of different weather. When it was cloudy, Seren lay on the dewy grass, spotting the shapes in the sky. When there was a cool breeze, Seren could smell all the beautiful flowers that had started to bloom.

As the weather became warmer, Nain opened the cupboard again. Seren asked, "Will it snow soon? Shall we take out my snow boots?"

"It doesn't usually snow in summer," said Nain.

Seren put the summer clothes into her drawers, leaving her snow boots in the cupboard.

Summer brought lots of different weather. When it was sunny, Seren went to the beach. When lightning and thunder filled the sky, Seren watched from her room.

Talk about the questions below.

1. Which season was first?
2. What did Seren do in that season?
3. Which season was the second?
4. What did Seren do in the Summer?
