

Hello parents,

This week the children we are looking at weather and our focus today is windy weather.

Read the poem below together with your child then talk about the questions below.

The Wind

The wind came out to play one day,
He swept the clouds out of his way.
He blew the leaves and away they flew,
The trees bent low and their branches did too.
The wind blew the great big ships at sea,
The wind blew my kite away from me.

1. Which things did the wind blow away?
2. What happened to the trees?
3. How do you think the person was feeling at the end of the poem? Why?

Sound out the letters in each word. Then read and match the words from the poem to their picture.
