

Ideas for online games and activities in the holidays.

Here are some of our favourite websites.

www.bbc.co.uk/bitesize/ks1/maths/

www.crickweb.co.uk > Key Stage 1

www.topmarks.co.uk/

<https://nrich.maths.org/>

<https://www.bbc.co.uk/teach/supermovers/ks1-maths-collection/z6v4scw>

Summer challenges from nrich <https://nrich.maths.org/summer-primary-posters>

Don't forget you can play on Mathletics too.

To find more maths games just google “maths activities ks1”

The internet is a brilliant place to find interactive games for the children to learn from. However, your child may not select activities at the correct level for them. As with any type of learning it would be best for you to support them with careful questioning as they play.
