

Hello Grange Infant School children and parents from Year R and 1.

## This week we have the theme of **"My Family"**

This is the chance to think about the **history** of your family and to ask questions like a historian. We will be thinking about the lovely people in our family, what they do for us and what makes us related. We will base all of our reading , writing and maths on this topic.

Your first topic challenge is to make a family tree. There are many ways to do this. Here are some examples.

An additional topic challenge is to write a profile of a family member. You could choose a different family member each day this week and either interview them or try to put yourself into their shoes and guess their answers.

- Here are some questions you could choose if you are able to interview your family members.

What year did you have your 6<sup>th</sup> birthday?

What toys did you play with when you were my age?

What games did you like to play?

What was it like in your school?

What did you want to be when you grew up?

- If you are unable to interview them, try to think of the answers they would say to these questions.

What is your favourite thing to do?

What is your favourite colour?

What is your favourite dinner?

How do your different family member's answers compare?
